

Orchestra Uniforms Info

The orchestra has all new uniforms this year. This has been planned and budgeted for several years and we're grateful for them! To keep them in the best shape possible to serve us for upcoming years, please follow the following guidelines. Questions? Call or text Kim Martin 317-733-0543 cell. Please leave a message if I don't answer. Thanks!

Hemming: Each student is responsible for getting their own uniform hemmed before our first concert on Thursday, Oct. 3. You can do it yourself, have it done by someone you know, or use one of the options listed below. These are simply provided for your convenience and do not have any endorsements from the school or orchestra program. Everyone needs to follow the guidelines listed below. Thanks!

Pants - no cuffs on pants

Pants and dresses

- If they are extremely long and must be cut, there must be **at least 2" extra material left** before hemming. The uniforms belong to the school and will be reused for many years. Future students may need longer pants or dresses.
- Wear the shoes you will wear for the concerts when you have them measured for hemming. This is especially important for the girls if they plan on wearing heels with their dress.

Dresses

- Hem should be 1" off the floor.
- A simple machine hem is fine.

All parts of the uniforms except the ties are machine washable. Please wash and dry according to directions before hemming and the first concert (October 3) and as needed throughout the year. Shirts and pants may need to be ironed.

For Concerts:

Boys – Wear black shoes, black socks, black dress belt, and black t-shirt under dress shirt (can use black orchestra t-shirt purchased for more casual concerts).

Girls – Wear black closed toed shoes, black tights or hose, and black undergarments (not sports bra or razor back style bra – the straps show).

Alterations Options: I checked with these before we switched to dresses for the girls, so I don't have quotes on prices for hemming dresses.
